## PROJECTS

### MITAOE TeamSync — Full-Stack Team Finding Platform

Jan 2026 – Present

React, Node.js, Express, Firebase, MongoDB, Tailwind CSS, Framer Motion

[github.com/debugonaut/teamsync](https://github.com/debugonaut/teamsync)

- Built a full-stack web platform to help college students discover and connect with hackathon teammates based on skill profiles.
- Implemented JWT role-based authentication to manage sessions and secure student data and admin-only routes.
- Developed a swipe-based matching interface with Framer Motion animations, delivering a mobile-responsive experience.
  - Stack: React (frontend), Node.js + Express (API), Firebase Auth + Firestore, MongoDB (data layer); deployed on Vercel.

### ClassLink — Online Classes Link Manager

Apr 2026

Next.js, Supabase (PostgreSQL), Tailwind CSS, Lucide React

[github.com/debugonaut/classlink](https://github.com/debugonaut/classlink)

- Built a Next.js web app to centralize class meeting links and resources across multiple student batches.
- Integrated Supabase for authenticated sessions and backend database operations.
- Implemented persistent local storage for user preferences, reducing redundant onboarding steps on return visits.

### Video Playback Tracker — Cross-Browser Extension

Feb 2026

JavaScript, Chrome Extensions API, Manifest V3, MutationObserver

[github.com/debugonaut/video-playback-tracker](https://github.com/debugonaut/video-playback-tracker)

- Developed a browser extension for Chrome and Firefox that automatically saves video playback timestamps for resumption.
- Used MutationObserver and the chrome.storage API for automatic background session tracking.

## EDUCATION

### MIT Academy of Engineering, Pune

Sep 2024 – Present

Bachelor of Technology in Computer Engineering (Software Engineering)

Expected: 2028

- Technical Team Member, GeeksForGeeks Campus Club — assisted in organizing technical workshops and events.
- Volunteered for crowd management during campus festivities as part of a Liberal Arts course initiative.

### Modern College of Arts, Science and Commerce

Sep 2022 – Feb 2024

Class XII — Higher Secondary Certificate (HSC)

81.67%

### Pune Police Public School

2022

Class X — Secondary School Certificate (SSC)

93.40%

## SKILLS

- **Languages:** Java, C++, C, JavaScript, TypeScript
- **Frameworks & Libraries:** React, Node.js, Express, Next.js, Tailwind CSS, Framer Motion
- **Databases & Tools:** Firebase, Supabase (PostgreSQL), MongoDB, Git, GitHub, Vercel, Vite

## ACHIEVEMENTS

- Solved 70+ problems on LeetCode; attained 2-Star rating on CodeChef.

## INTERESTS

- Indie and AAA Games, Open-Source Software, Music, Chess, Touch Typing.
